

CAN YOU HELP...

...by donating a prize to our auction?

“Celebrate The Arts Month”

The entire month of November has been declared *Celebrate the Arts Month* ... a countywide celebration of art and culture. All types of cultural events will be scheduled throughout the county -- from Marco to Immokalee and from Naples to Everglades City. Many of these events are free to the public.

In conjunction with *Celebrate the Arts Month* in Collier County, the United Arts Council will hold a season kick-off party. This party will showcase the county's arts & cultural community. A silent auction will benefit the United Arts Council's programs, which include after-school arts education for at-risk children, an outreach art program in Immokalee, and services to the arts community.

Your business can make a difference...by contributing an auction prize to this event and showing your support for the Arts in Collier County!
