

## Please remember us in your year-end charitable contributions

It has been a very exciting year at the United Arts Council! We have made significant strides serving the community in our two primary focus areas:

### Providing arts education to at-risk children

### Promoting our local arts community

Program highlights this year include:

- Over 1,000 at-risk students participated in after-school classes in art, music, digital film, dance, etc.
- Over 100 visits to our Recycle Center by art teachers for free art supplies for their classrooms
- Dance & Movement classes for Parkinson's patients
- 500+ families participated in Family Art Night events
- Eight weeks of Summer Art Camps in Immokalee
- Our website averaged 96,000 hits monthly
- Over 200,000 copies of arts-related brochures distributed

We have been able to provide these services with very minimal overhead. In fact, 90¢ of every dollar raised by the United Arts Council goes directly to programs and services – making us one of the most efficient charities in the area!

When considering your year-end charitable contributions, we hope that you will remember us. Now more than ever, we need your help. Our state government funding was slashed by 92% this year – the fourth straight year of dramatic cuts by Tallahassee. We pledge to you that your donation will be invested wisely – creating more smiles like these!

We wish you all the best for the holidays, and thank you for all that you do in support of the arts.
